

Requirements Traceability Summary generated from QA Touch

Requirements	Linked Test Cases	Test Run and Test Result
R0001 - Register a new user (positive)	TC0002 - Registration (positive)	Registration function - Passed
	TC0012 - Book Table functionalities: search for books (positive)	Book Table functionalities - Passed
	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0003 - Registration: invalid first name (negative)	Registration function - Failed
	TC0004 - Registration: invalid last name (negative)	Registration function - Failed
	TC0005 - Registration: leaving the first name field empty (negative)	Registration function - Passed
	TC0006 - Registration: leaving the last name field empty (negative)	Registration function - Passed
	TC0007 - Registration: leaving the username field empty (negative)	Registration function - Passed
	TC0008 - Registration: leaving the password field empty (negative)	Registration function - Passed
	TC0009 - Registration: without checking the reCAPTCHA box (negative)	Registration function - Passed
	TC0010 - Registration: with the credential of an already registered user (negative)	Registration function - Passed
R0002 - Register a new user with valid password (positive)	TC0002 - Registration (positive)	Registration function - Passed
	TC0012 - Book Table functionalities: search for books (positive)	Book Table functionalities - Passed
	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0003 - Registration: invalid first name (negative)	Registration function - Failed
	TC0004 - Registration: invalid last name (negative)	Registration function - Failed
	TC0005 - Registration: leaving the first name field empty (negative)	Registration function - Passed
	TC0006 - Registration: leaving the last name field empty (negative)	Registration function - Passed
	TC0007 - Registration: leaving the username field empty (negative)	Registration function - Passed
	TC0008 - Registration: leaving the password field empty (negative)	Registration function - Passed
	TC0009 - Registration: without checking the reCAPTCHA box (negative)	Registration function - Passed
	TC0010 - Registration: with the credential of an already registered user (negative)	Registration function - Passed
R0003 - Login with valid username and password (positive)	TC0012 - Book Table functionalities: search for books (positive)	Book Table functionalities - Passed
	TC0013 - Book Table functionalities: sort in alphabetical order by title (positive)	Book Table functionalities - Failed
	TC0014 - Book Table functionalities: sort in alphabetical order by author (positive)	Book Table functionalities - Passed
	TC0015 - Book Table functionalities: sort in alphabetical order by publisher (positive)	Book Table functionalities - Passed
	TC0016 - Book Table functionalities: change row numbers (positive)	Book Table functionalities - Blocked
	TC0017 - Book Table functionalities: navigate table pages (positive)	Book Table functionalities - Blocked
	TC0011 - Login and logout (positive)	Login and logout function - Passed
	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0019 - Collection: add and view added books (positive)	Collection functionalities - Passed
	TC0020 - Collection: login and view previously added books in Collection on Profile page	Collection functionalities - Passed
	TC0021 - Collection: delete a saved book	Collection functionalities - Passed
	TC0022 - Collection: delete all saved book	Collection functionalities - Passed
	TC0023 - Collection: search for a book that was saved then deleted from Collection	Collection functionalities - Passed
	TC0024 - Collection: add the same book twice to your collection (negative)	Collection functionalities - Passed
	TC0025 - Delete account (positive)	Deleted account and unregistered user - Passed

Requirements	Linked Test Cases	Test Run and Test Result
R0004 - Logout from profile (positive)	TC0011 - Login and logout (positive)	Login and logout function - Passed
R0005 - Navigate to Book Store from profile (positive)	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0012 - Book Table functionalities: search for books (positive)	Book Table functionalities - Passed
	TC0013 - Book Table functionalities: sort in alphabetical order by title (positive)	Book Table functionalities - Failed
	TC0014 - Book Table functionalities: sort in alphabetical order by author (positive)	Book Table functionalities - Passed
	TC0015 - Book Table functionalities: sort in alphabetical order by publisher (positive)	Book Table functionalities - Passed
	TC0016 - Book Table functionalities: change row numbers (positive)	Book Table functionalities - Blocked
	TC0017 - Book Table functionalities: navigate table pages (positive)	Book Table functionalities - Blocked
	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0019 - Collection: add and view added books (positive)	Collection functionalities - Passed
R0006 - Book Store/Collection Table: Search for books (positive)	TC0012 - Book Table functionalities: search for books (positive)	Book Table functionalities - Passed
R0007 - Book Store/Collection Table: Sort results by category and alphabetical order (positive)	TC0013 - Book Table functionalities: sort in alphabetical order by title (positive)	Book Table functionalities - Failed
	TC0014 - Book Table functionalities: sort in alphabetical order by author (positive)	Book Table functionalities - Passed
	TC0015 - Book Table functionalities: sort in alphabetical order by publisher (positive)	Book Table functionalities - Passed
R0008 - Book Store/Collection Table: Change the row numbers (positive)	TC0016 - Book Table functionalities: change row numbers (positive)	Book Table functionalities - Blocked
R0009 - Book Store/Collection Table: Table page navigation (positive)	TC0017 - Book Table functionalities: navigate table pages (positive)	Book Table functionalities - Blocked
R0010 - Book: View details of a book (positive)	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0019 - Collection: add and view added books (positive)	Collection functionalities - Passed
	TC0024 - Collection: add the same book twice to your collection (negative)	Collection functionalities - Passed
	TC0027 - Unregistered user: save book to Collection (negative)	Deleted account and unregistered user - Passed
R0011 - Book: Book information visible on their individual page (positive)	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0019 - Collection: add and view added books (positive)	Collection functionalities - Passed
	TC0024 - Collection: add the same book twice to your collection (negative)	Collection functionalities - Passed
R0012 - Book: Add to Your Collection (positive)	TC0019 - Collection: add and view added books (positive)	Collection functionalities - Passed
	TC0024 - Collection: add the same book twice to your collection (negative)	Collection functionalities - Passed
R0013 - Profile: View your book collection on your profile (positive)	TC0019 - Collection: add and view added books (positive)	Collection functionalities - Passed
	TC0020 - Collection: login and view previously added books in Collection on Profile page	Collection functionalities - Passed
	TC0021 - Collection: delete a saved book	Collection functionalities - Passed
	TC0022 - Collection: delete all saved book	Collection functionalities - Passed
	TC0023 - Collection: search for a book that was saved then deleted from Collection	Collection functionalities - Passed
	TC0024 - Collection: add the same book twice to your collection (negative)	Collection functionalities - Passed
R0018 - Books in Collection are saved at the next login	TC0020 - Collection: login and view previously added books in Collection on Profile page	Collection functionalities - Passed
	TC0021 - Collection: delete a saved book	Collection functionalities - Passed
	TC0022 - Collection: delete all saved book	Collection functionalities - Passed

Requirements	Linked Test Cases	Test Run and Test Result
	TC0023 - Collection: search for a book that was saved then deleted from Collection	Collection functionalities - Passed
R0019 - Profile - Collection: Delete a book (positive)	TC0021 - Collection: delete a saved book	Collection functionalities - Passed
	TC0023 - Collection: search for a book that was saved then deleted from Collection	Collection functionalities - Passed
R0020 - Profile - Collection: Delete All Books function (positive)	TC0022 - Collection: delete all saved book	Collection functionalities - Passed
	TC0023 - Collection: search for a book that was saved then deleted from Collection	Collection functionalities - Passed
R0021 - Delete Account (positive)	TC0025 - Delete account (positive)	Deleted account and unregistered user - Passed
	TC0026 - Login with deleted account credentials (negative)	Deleted account and unregistered user - Passed
R0022 - Unregistered user: Using Books Store without registration (positive)	TC0027 - Unregistered user: save book to Collection (negative)	Deleted account and unregistered user - Passed
R0023 - Login with deleted account credentials (negative)	TC0026 - Login with deleted account credentials (negative)	Deleted account and unregistered user - Passed
R0024 - Register with invalid first and last name (negative)	TC0003 - Registration: invalid first name (negative)	Registration function - Failed
	TC0004 - Registration: invalid last name (negative)	Registration function - Failed
R0025 - Register with the credentials of an existing user (negative)	TC0010 - Registration: with the credential of an already registered user (negative)	Registration function - Passed
R0026 - Complete registration form and submit it without ticking the reCaptcha box (negative)	TC0009 - Registration: without checking the reCAPTCHA box (negative)	Registration function - Passed
R0027 - Add the same book twice to your collection (negative)	TC0024 - Collection: add the same book twice to your collection (negative)	Collection functionalities - Passed
R0032 - Search for a deleted book from Collection (positive)	TC0023 - Collection: search for a book that was saved then deleted from Collection	Collection functionalities - Passed
R0033 - Navigate to Book Store from the menu (positive)	TC0012 - Book Table functionalities: search for books (positive)	Book Table functionalities - Passed
	TC0013 - Book Table functionalities: sort in alphabetical order by title (positive)	Book Table functionalities - Failed
	TC0016 - Book Table functionalities: change row numbers (positive)	Book Table functionalities - Blocked
	TC0015 - Book Table functionalities: sort in alphabetical order by publisher (positive)	Book Table functionalities - Passed
	TC0014 - Book Table functionalities: sort in alphabetical order by author (positive)	Book Table functionalities - Passed
	TC0017 - Book Table functionalities: navigate table pages (positive)	Book Table functionalities - Blocked
	TC0018 - Book Table functionalities: view book information and verify website link (positive)	Book Table functionalities - Passed
	TC0019 - Collection: add and view added books (positive)	Collection functionalities - Passed
	TC0024 - Collection: add the same book twice to your collection (negative)	Collection functionalities - Passed
R0034 - Register filling out only the username and password fields (negative)	TC0005 - Registration: leaving the first name field empty (negative)	Registration function - Passed
	TC0006 - Registration: leaving the last name field empty (negative)	Registration function - Passed
