

Case Traceability Summary generated from QA Touch

Testrun	Release	Module	Test run code	Case Title	Issue Code	Issue Summary	Status	Priority	Requirements
Registration function	1	Functional testing	TR0002	Registration (positive)	D0001	Improvement for confirmation message	New	Low	R0001 - Register a new user (positive)
		Functional testing	TR0002	Registration (positive)	D0002	Improvement of the page shown after registering a new user	New	Low	R0002 - Register a new user with valid password (positive)
		Functional testing	TR0002	Registration (positive)	D0003	Bug: Registration with invalid first name	New	High	R0001 - Register a new user (positive)
		Functional testing	TR0002	Registration (positive)	D0004	Bug: Registration with invalid last name	New	High	R0002 - Register a new user with valid password (positive)
		Functional testing	TR0003	Registration: invalid first name (negative)	D0003	Bug: Registration with invalid first name	New	High	R0001 - Register a new user (positive)
		Functional testing	TR0003	Registration: invalid first name (negative)	D0003	Bug: Registration with invalid first name	New	High	R0002 - Register a new user with valid password (positive)
		Functional testing	TR0003	Registration: invalid first name (negative)	D0003	Bug: Registration with invalid first name	New	High	R0024 - Register with invalid first and last name (negative)
		Functional testing	TR0004	Registration: invalid last name (negative)	D0004	Bug: Registration with invalid last name	New	High	R0001 - Register a new user (positive)
		Functional testing	TR0004	Registration: invalid last name (negative)	D0004	Bug: Registration with invalid last name	New	High	R0002 - Register a new user with valid password (positive)
		Functional testing	TR0004	Registration: invalid last name (negative)	D0004	Bug: Registration with invalid last name	New	High	R0024 - Register with invalid first and last name (negative)
Book Table functionalities	1	Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0005	Bug: books are not sorted in alphabetical order, by title	New	Medium	R0003 - Login with valid username and password (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0005	Bug: books are not sorted in alphabetical order, by title	New	Medium	R0005 - Navigate to Book Store from profile (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0005	Bug: books are not sorted in alphabetical order, by title	New	Medium	R0007 - Book Store/Collection Table: Sort results by category and alphabetical order (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0005	Bug: books are not sorted in alphabetical order, by title	New	Medium	R0033 - Navigate to Book Store from the menu (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0006	Bug: books are not sorted in reverse-alphabetical order, by title	New	Medium	R0003 - Login with valid username and password (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0006	Bug: books are not sorted in reverse-alphabetical order, by title	New	Medium	R0005 - Navigate to Book Store from profile (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0006	Bug: books are not sorted in reverse-alphabetical order, by title	New	Medium	R0007 - Book Store/Collection Table: Sort results by category and alphabetical order (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0006	Bug: books are not sorted in reverse-alphabetical order, by title	New	Medium	R0033 - Navigate to Book Store from the menu (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0007	Bug: full table is not visible	New	Medium	R0003 - Login with valid username and password (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0007	Bug: full table is not visible	New	Medium	R0005 - Navigate to Book Store from profile (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0007	Bug: full table is not visible	New	Medium	R0007 - Book Store/Collection Table: Sort results by category and alphabetical order (positive)
		Functional testing	TR0013	Book Table functionalities: sort in alphabetical order by title (positive)	D0007	Bug: full table is not visible	New	Medium	R0033 - Navigate to Book Store from the menu (positive)
		Functional testing	TR0016	Book Table functionalities: change row numbers (positive)	D0007	Bug: full table is not visible	New	Medium	R0003 - Login with valid username and password (positive)
		Functional testing	TR0016	Book Table functionalities: change row numbers (positive)	D0007	Bug: full table is not visible	New	Medium	R0008 - Book Store/Collection Table: Change the row numbers (positive)
		Functional testing	TR0016	Book Table functionalities: change row numbers (positive)	D0007	Bug: full table is not visible	New	Medium	R0033 - Navigate to Book Store from the menu (positive)
		Functional testing	TR0016	Book Table functionalities: change row numbers (positive)	D0007	Bug: full table is not visible	New	Medium	R0005 - Navigate to Book Store from profile (positive)
		Functional testing	TR0017	Book Table functionalities: navigate table pages (positive)	D0007	Bug: full table is not visible	New	Medium	R0003 - Login with valid username and password (positive)
		Functional testing	TR0017	Book Table functionalities: navigate table pages (positive)	D0007	Bug: full table is not visible	New	Medium	R0033 - Navigate to Book Store from the menu (positive)
		Functional testing	TR0017	Book Table functionalities: navigate table pages (positive)	D0007	Bug: full table is not visible	New	Medium	R0005 - Navigate to Book Store from profile (positive)
		Functional testing	TR0017	Book Table functionalities: navigate table pages (positive)	D0007	Bug: full table is not visible	New	Medium	R0009 - Book Store/Collection Table: Table page navigation (positive)
		Functional testing	TR0017	Book Table functionalities: navigate table pages (positive)	D0007	Bug: full table is not visible	New	Medium
